May 2021 Newsletter

To God be the Glory!

Dear friends of Hope 4 Athletes,

The month of May brought another visit from Mr. Antwi, a special visit from a sponsor, church, more soccer games, and continued tutoring.

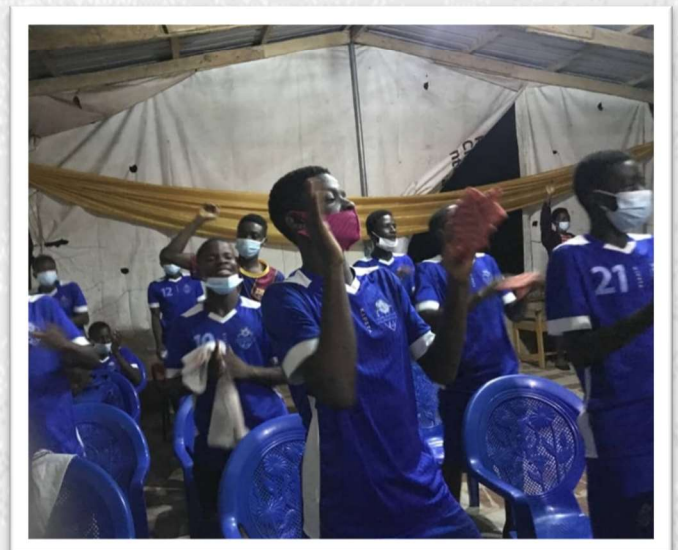

The month started out with Mr. Antwi visiting the boys. He continued to teach the boys about Christ and led them in worship. The boys have also been attending church faithfully. After receiving their Bibles a few months ago, they have read and studied continually. Praise God that the boys are reading his Word!

A sponsor, Marc Mansfield, also visited the boys during May. He was able to see the house and spend time talking with the boys and leaders. He visited a few of the boys at their schools and was able to see the village. Marc was also presented with traditional Ghanaian attire which you can see in the pictures below!

The boys continued to attend school through the month. Tutors also come to the house through the week to help the boys in their education. The boys have worked really hard in their studies, and we are so thankful they have extra instruction through the tutors.

The boys also played three soccer games this month. They were able to win two of the games, while another was a draw. Their coaches are impressed with the team's work in training and games.

- ❖ Praise God for the health of the boys.
- ❖ Ask God to lead each of the boys to him and to grow their faith in him.
- ❖ Ask God to provide sponsors for each of the boys.
- ❖ Pray for the leaders in Ghana to disciple the boys well.
