August 2020 Newsletter

To God be the Glory!

Dear friends of Hope 4 Athletes,

Thank you again for everything you do!

In Asamankese,

The oldest boys have finished their exams! A lot of preparation and time went into preparing for these. In the days leading up to the exams, the tutors focused on working with the five oldest and helping them study. Their results should be coming in the next few weeks.

We do not know when school will start again in Asamankese. However, tutors have continued to come to the house to teach the boys and help them in their studies.

Soccer practice is back! The boys are able to train again. When they went to the soccer field to practice again, the grass was very overgrown. They had to do a controlled burn of the grass. Would you like to donate money to go towards buying a mower? One is needed.

The boys are so thankful for a generous sponsor, who donated much needed clothing and shoes! Everyone received new shirts, shorts, and shoes.

In Chattanooga, we will be sending out invitations for a sponsorship get together to thank you all for your support over the past months.

We are very excited to meet and talk with you about the foundation and the boys!!

Please reach out if you have any questions or know of someone else who would be interested in supporting the foundation. Thank you!

Student-Athlete of the Month: Simon Quashie
